

RESOLUTION NO. 2017-27

**A RESOLUTION OF THE VILLAGE COUNCIL OF THE
VILLAGE OF KEY BISCAYNE, FLORIDA, AWARDED AND
APPROVING A CONTRACT FOR EMERGENCY DISASTER
DEBRIS REMOVAL AND RESPONSE SERVICES;
PROVIDING FOR AUTHORIZATION; PROVIDING FOR
IMPLEMENTATION; AND PROVIDING FOR AN
EFFECTIVE DATE.**

WHEREAS, on May 12, 2017, the Village of Key Biscayne (“Village”) issued a Request for Proposals (“RFP No. 2017-05-12-DR”) for Emergency Disaster Debris Removal and Emergency Response Services to select the primary contractor as AshBritt and the secondary contractor Bergeron Emergency Services for the removal and disposal of storm-generated debris within the Village (“Project”); and

WHEREAS, in response to the Request for Proposals, the Village received proposals; and

WHEREAS, after careful review and consideration of the proposals, the Village Manager recommends the awarding of the contract for the Project to AshBritt Environmental and Bergeron Emergency Services (“Contractors”) as the responsible, responsive bidder, based on unit prices for basic services provided in Exhibits “A” and “B”; and

WHEREAS, the Village Council finds that the adoption of this Resolution is in the best interest and welfare of the residents of the Village.

**NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE COUNCIL OF THE
VILLAGE OF KEY BISCAYNE, FLORIDA AS FOLLOWS:**

Section 1. Recitals. That each of the above-stated recitals are hereby adopted, confirmed, and incorporated herein.

**Section 2. Award of Contract for Emergency Disaster Debris Removal and
Emergency Response Services.** That the award of the contract for the Project to Contractors

pursuant to the Request for Proposals is approved.

Section 3. Authorization. The Village Council hereby authorizes the Village Manager to execute a contract consistent with the Contractor's Proposal attached hereto as Exhibits "A" and "B" and execute any related or necessary documentation on behalf of the Village, subject to approval by the Village Attorney as to form, content, and legal sufficiency.

Section 4. Implementation. The Village Council hereby authorizes the Village Manager to take any and all action which is reasonably necessary to implement the purpose of this Resolution.

Section 5. Effective Date. This Resolution shall be effective immediately upon adoption.

PASSED and ADOPTED this 13th day of June, 2017.

Notes:

1. Generators will be delivered with a full tank of diesel. The generator must have a full tank of diesel at time of pick-up or there will be a per gallon rate charged for the required fuel.
2. The customer is responsible for the generator until the generator is picked up by AshBritt and AshBritt releases them from liability once the generator is inspected.
3. Fueling will be accomplished on an as-needed basis. The per gallon rate will be determined at time of event, to include the delivery fee. Smaller generators may require more than one visit per day if running 24-hours a day.
4. If the personnel/equipment package is not used, and fueling is required for the rental generators; Fuel trucks will be available for a daily rate (24-hour operations) at \$8,265.60 per day. This rate includes the truck and two (2) drivers, lodging, per diem, and has a three (3) day minimum lease period. An additional option would be a fuel truck with a single driver for 12-hour operations, at a 12-hour rate of \$5,787.15. This rate includes the truck, an one (1) driver, lodging, per diem, and has a three (3) day minimum lease period. The number of fuel trucks will be based on mission requirements.
5. Generators are rented at the weekly rate, triple shift, with a 1-week minimum rental period, or at a monthly rate.
6. Transportation/Freight fees for rental generators is not included in above pricing and will be based on distance from the closest provider to the delivery site. Transportation and freight fees will be quoted for mobilization and demobilization at time of event.
